X-GRILLE COVER

The new X-GRILLE Cover ventilation grilles made of high-quality aluminium combine function with an attractive design. They can be installed in walls, ceilings or rectangular ducts.

- Energy-efficient and acoustically optimised air discharge
- Symmetric blade profile for two-way entry flow
- Uniform look and easy adjustment due to concealed blade linkage
- Concealed, optimised screw fixing
- Ideal as linear grille
- Easily exchangeable cover plates allow for a lively two-colour look
- Use of existing rear assemblies
- Easy replacement of existing grilles due to standard installation dimensions
